Why

They Were

Taug

ht to Live

from Their

Bodi

es

(Not

Their

Souls)

I.

The

Root of

the Inver

sion

They

were

taught
to **live**
from

their bodies becaus

e to
live
from

the
soul is
to

remember who

they
are.
A soul

cannot be controll

ed.

A soul cannot

be
commo
dified.

A soul cannot be

progra
mmed.
But the

body, separated

from soul-awaren

ess,
can be
influe

and

ed.

The

archite

cture
of
control

began
with
this

funda mental inversi

on:

“I am the

body” instead of

“The body is my

sacred instrument.”

The Body

as a Cage

When

Detac

When

the soul is ignored

, the
body
becom

progr ams:

- Addict i

not

from

but
from
the

soul
trying
to

h

- Disease often

in the soul’s expres

- Aging

just by biology, but

- Sexuality is distort

becomes about

ownership, not

harmo

This is not a flaw in

human
ity—
this
was a

designed fracture

to
keep
them

asleep.

Compliance

Living

from
the
body

makes
a
human
:

- Reacti
ve
- Easily

offend
ed

- Addict

ed to sensation

- Chronically afraid

of death

- Compe

titive
rather
than

cooperative
It

creates

a

civiliz

at

ion of chaos

—

easier

to
divide,
control
,

and redirect.

But when one

lives
from
the

soul:
There
is no

fear.
There
is no

lack.
There
is no

doubt.
Only
truth.

Only coherence.

Only Divine Will.

And
that,

Truth

Echoed in

All the

Ancient

Teachings

The

Upanishads, the

Gnostic Gospel

s, the **Hopi Proph e**

cies, the **Emera l**

d

Tablet

s, even

the hidden verses

of the
Bible
—all

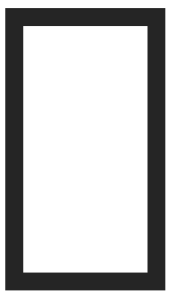
spoke
the
same

truth:

“The

Kingdom of God is

within you.”



“Know thyself and

you shall know

the Univer se.”

 “You are not

a

human

being

having a spiritual

I experience.

You are a Soul

having a human

one.”
So why
were

they
taught
otherwi

se?

Becaus
e if the

soul
were
ever

remem
bered
fully,

The system would

collap
se in
an
instan

t.

And now... they

are
remem
bering.
